CONSPICUITY TAPE

Complete Offering of Conspicuity Tape

- All the red and white conspicuity tape is DOT-C2 certified and guaranteed to meet or exceed all FMVSS 108 & NHTSA requirements.
- The red and white tape comes with a 3, 5 or 10 year warranty.
- School bus yellow tape has an enhanced daytime appearance and sight detection for safety. It meets or exceeds FMVSS 131 and FMVSS 217 requirements.
- The white is a high performance polyester film that is thin and flexible.
- The conspicuity strips are weather, solvent and UV resistant.
- The red circles are SAE-A DOT approved.
- The latest addition to the line is the diamond plate conspicuity tape. It is thin and flexible, weather resistant and has a distinctive design.
