

EMERGENCY TRIANGLE KIT

BE SEEN DAY OR NIGHT

Emergency Triangle Kits

- Each kit contains three HD triangles packaged in a red storage box
- Durable fluorescent orange plastic with red reflectors are visible day or night.
- Snaps together for fast and easy set up
- Heavy weighted sand filled base provides stability even in windy conditions
- Friction pads on base keeps triangle in place on highway
- Meets all applicable FMVSS 125 and SAE/DOT specifications
- Instructions for proper use molded in the cover and on all triangles

Make Sure Your Vehicle Meets FMVSS 125

- *FMVSS 125 establishes shape, size and performance requirements for non-powered day and night warning devices that can be erected on or near the roadway to warn approaching traffic of the presence of a stopped vehicle. The purpose of this Standard is to reduce deaths and injuries due to rear-end collisions between moving traffic and disabled vehicles.*
- Required Application: buses and trucks with a GVWR greater than 4,536 kg (10,000 lbs)

Triangle Kit Part No. 090235
